Section 2 Advice

Before completing the rest of this form, please read this section carefully.

We are required to capture whether or not you have used the pensions guidance service in addition to receiving advice.

You have the freedom to decide how you use your pension fund at retirement and there are a number of pension benefit options open to you to make the most of your money. To help you make your decisions you can use Pension Wise, a government service from MoneyHelper which offers free, impartial pensions guidance.

Visit <u>moneyhelper.org.uk/pensionwise</u> to find out more, or you can call them on 0800 138 3944. Pension Wise offers guidance, not advice, about your retirement options. If you would like advice regarding your options, you should speak with your Financial Adviser.

Section 3 Risks

As you are completing this form you have chosen an option for taking your pension savings from your SIPP. However, there are risks associated with these options and some of these are highlighted below, we suggest you discuss these with your Financial Adviser or Pension Wise, provided by MoneyHelper.

- If you have chosen to flexibly access your pension savings via drawdown, your Financial Adviser will have provided an illustration that shows the year you will run
 out of money in your SIPP if you take the level of income you have chosen.
- If you take all of your SIPP pension savings as a lump sum in one go, this will be subject to tax and fees. You can take tax-free lump sums up to your remaining
 available Lump Sum Allowance.
- Income you take from your SIPP will be taxed at your marginal rate, and may affect the level of tax you pay on any other taxable earnings you may receive in the same tax year. These may include earnings such as State pension payments, benefits, salary or investment income.
- The amount you take from your fund could affect any state benefits that you are entitled to. If the Department for Work and Pensions or your local council judge
 you to have deliberately spent or given away your pension pot to receive or increase benefits they may re-assess your eligibility and treat you as having the money.
- The income you take from your SIPP will not be guaranteed. You need to consider the risk of your pension savings in your SIPP running out later in life, particularly if you take large lump sums, and how you would live on any other sources of income you may have.

Please specify which benefits you wish to take below. If you are taking benefits from more than one Account and need additional space, please use the Special Instructions section on page 2.

If you are selecting drawdown or drip-feed drawdown and have assets traded in single units (such as directly held shares), these will be rounded up to the nearest whole unit before moving into drawdown. This may result in slightly more being crystallised than requested.

If you are eligible for a transitional tax-free amount certificate (TTFAC), please apply for this and send it to us before taking any benefits. You cannot apply for a TTFAC if you have had a Relevant Benefit Crystallisation Event (RBCE) on or after 6 April 2024.

Additional Fund Designation (AFD)

If you were already in capped drawdown (an arrangement set up before 6 April 2015 with a government maximum income limit), you can stay in capped drawdown and the same rules apply. AFD allows you to designate further funds into your existing capped drawdown fund.

This section is for Capped Drawdown Accounts only.

Convert Capped Drawdown to FAD		

You can convert to FAD, but this choice is irreversible and may affect your options for saving into a pension in the future.

If you switch from capped drawdown to FAD, you will no longer have an income limit and therefore no more income limit reviews.

When you take your first income payment in FAD, you will trigger the Money Purchase Annual Allowance (MPAA).

This will reduce the amount you can contribute to money purchase pensions each year while benefiting from tax relief from £60,000 to £10,000.

Section 9 Income

If you have chosen to receive income from one or more of your Accounts in Section 8, please use the table below to tell us how you would like that income to be paid, including which Account it should come from. If we need to make cash available, we will sell down from the highest-valued asset first, 9 business days before the payment is due.

If the chosen payment date is not a business day, your income will be paid on the previous business day. If we are unable to meet your first requested income payment date, we will make the payment as soon as possible and continue future payments on your chosen regular payment date.

Any income paid to you (except certain tax-free beneficiary income) will be taxed under PAYE using the tax code provided on a P45 or by HMRC. If this information is not available, the emergency tax code will be used until HMRC provides the correct code. This may result in more or less tax being deducted than expected.

Please sell down for me on a bespoke basis. If this option is chosen please provide details in the Special Instructions section later in this form.

to cover the Tax Free Lump Sum.

When you Crystallise your Accumulation Funds, Assets are moved from the Accumulation account to the Decumulation account and then your Tax Free Lump Sum is paid from your Decumulation account.

I wish to move the cash value and proportional Assets.

Please note, if this option is chosen, all cash from the Accumulation account, up to the value of the Crystallisation amount, will be moved to the Decumulation account. If there is insufficient cash to cover the Crystallisation then assets will be moved proportionally.

I wish to move cash and assets on a bespoke basis specified in the table below:

Where you have specified an amount we will aim to match that amount as closely as possible but please note that we may not always match an amount exactly. For example, Exchange Traded Investments (ETIs) can only be moved as a whole number of units, so the price of the share determines the amount that we can move.

M&G Wealth Platform – SIPP Benefit Payment Form

9

Section 12 SIPP Member Declaration

(a) I request and consent to the payment of the benefits set out in this SIPP Benefit Payment Form.

(b) I confirm I have read Section 2, and that I received pension benefit advice from the Financial Adviser appointed on my SIPP.

(c) I understand that if I have selected to Crystallise all remaining Uncrystallised benefits, the value of these benefits will be based on the value of my SIPP on the day the Crystallisation takes place. If any fees are deducted or investments are placed before this date this may affect the value of the benefits paid. Where a full Crystallisation occurs, all additional investment income received in the Accumulation account can be Crystallised on the instruction of my Financial Adviser.

(d) I accept and agree that I will be able to change the amount of income within any applicable limits set down by HM Revenue & Customs rules and the rules of the pension scheme.

(e) I understand that if I am in capped drawdown and at any time I select an amount of income which is above the upper limit set by HM Revenue & Customs then my capped drawdown will automatically be changed to flexi-access drawdown.

(f) I understand that if I take flexi-access drawdown income, or an Uncrystallised funds pension lump sum, my annual pension contributions allowance will be reduced for my SIPP and any other money purchase pension savings I have (known as the Money Purchase Annual Allowance). The current Money Purchase Annual Allowance can be found at <u>gov.uk/guidance/work-out-your-allowances-if-youve-flexibly-accessed-your-pension</u>.

(g) In order to proceed with the payment of any lump sum and/or income:

(i) I understand I must decide which investments are sold and ask my Financial Adviser to instruct the sale of these investments on my behalf, or place these sale instructions myself if I have online trading access to my SIPP.

(ii) I understand that if there is not enough cash available to pay my tax free lump sum, Investment Funds Direct Limited will sell investments according to the process set out in my <u>Terms</u> and will not be liable for any delay in the sale process.

(iii) I understand and agree that charges or penalties can apply for the sale of investments and my Financial Adviser has explained these costs to me.

(h) I understand and accept that if I have waived my right to a lump sum as set out in Section 8, I cannot elect to take this lump sum payment in the future.

(i) I agree to notify Investment Funds Direct Limited if I am taking a lump sum as part of a recycling device. I will provide this notification within 30 days of the deemed unauthorised payment arising.

(j) I hereby indemnify Investment Funds Direct Limited against any liability to pay tax or other charges which results from these benefits being paid out of the SIPP.

(k) I hereby authorise Investment Funds Direct Limited to check the details of any certificate I have supplied with this application form with HM Revenue & Customs.

(I) I confirm that this declaration is correct and complete to the best of my knowledge.
