## Expression of Wish

Please use this form to provide details of who you would like to benefit from your SIPP\* in the event of your death.

\*A SIPP is a type of pension that lets you choose your own investments typically from a much wider range than other pensions. Investing through the SIPP allows you to save towards your retirement income in a tax efficient Account. You can find more information in the [Key Features of the M&G Wealth Pension Account](#).

<b>What is an Expression of Wish Form?</b>	<p>If you pass away with money or investments in your pension, the pension administrators will need to decide who will receive that.</p> <p>By completing this form, you can tell us who you would like the money to go to. This can be given as a one-time single payment or as regular payments, depending on what your beneficiaries (someone who benefits from a will, trust, pension fund or a life assurance policy) prefer.</p> <p><b>Please note, while we will try to follow your wishes, we will decide who receives the benefits. This means we can also choose to give the money to others, if we think it's appropriate.</b></p>
<b>Who can your pension be paid to in the event of your death?</b>	<p><b>Where we have received a completed Expression of Wish form:</b></p> <p>We will first try to pay the benefits to the people, charities or trusts you have nominated in this form. These are your beneficiaries you have chosen to receive your pension benefits.</p> <p><b>If there is no Expression of Wish form:</b></p> <p>We will consider any dependents you have, such as your spouse or civil partner, children under 23, and anyone who relied on you financially or due to physical or mental impairment.</p> <p>If we choose a beneficiary you have nominated, they can choose to receive the money as a drawdown pension**, annuity***, single payment or a combination of these.</p>
<b>Can I update my Expression of Wish in the future?</b>	<p>Yes, it's very important to review your Expression of Wish regularly and update it when needed. You can do this by filling out a new form, which will replace the one we currently have on file for you.</p>

\*\*Drawdown is an option for taking money from a pension. With this option, you can take some, or all, of your tax-free cash first, and then some, or all, of your taxable money as and when you need it.

\*\*\*An Annuity guarantees to provide you with a regular income for the rest of your life, in return for you paying over a lump sum from your pension fund.
