# M&G Wealth General Investment Account (GIA)

Target Market Statement

# What is the M&G Wealth GIA?

A General Investment Account (GIA) is designed for **advised customers** who may wish to hold multiple products in one place. GIA is a savings plan which is subject to tax on any growth.

## Customers can:

- Pay in flexibly, without any minimum or maximum limits
- Access money held in a GIA at any time
- Transfer money from a GIA to an Individual Savings Account (ISA) when a customer has an annual subscription, normally when going into a new tax year
- Benefit from our Family Group feature allowing for intergenerational wealth planning and/or family wealth consolidation
- Choose from a wide choice of assets in which to invest and benefit from active investment management, for example, model portfolio management

## Distribution Strategy

This product is designed to be accessed via a financial adviser.
