

## **Sustainability: Our position**

As part of M&G we believe a healthy environment, prosperous society, and strong communities are in the long-term interest of both our customers and stakeholders. When businesses are run sustainably, with effective governance, we believe they can deliver stronger investment returns in the long term. That's a benefit for customers, and for wider society.

IFDL is an open architecture investment platform. Our platform offers a wide range of sustainable investments, however we do not make investment decisions on behalf of anyone or vet investments based on sustainability factors.
